

MABEP Training Conference – January 12-13, 2010
 Holiday Inn By-the-Bay, Portland, Maine

Preliminary Agenda

DAY ONE - Tue., January 12

	Renewable Energy	New Construction Building Science	Advanced Auditing	Commercial	Lead Training
9:00 AM	Photovoltaics 101 John Rush <i>Evo Energy Systems</i>	Building Envelope & Air Infiltration David Johnston <i>David Johnston & Company</i>	Zone Pressure Diagnostics - The Hole Story Rick Karg <i>R. J. Karg Associates</i>	Facilities Managers: How to Get Started Saving Energy Chuck Porter <i>Efficiency Maine</i>	8:00 AM EPA Lead Renovation, Repair & Painting (RRP) 2010 Rule Training FULL - NO MORE ROOM
10:20 AM	Break	Break	Break	Break	Break
10:40 AM	Grid Solar Rich Silkman <i>Competitive Energy Services</i>	Blower Door Primer for Builders Richard Burbank <i>Evergreen Home Performance</i>	Blower Door Testing of Multi-Unit and High Rise Buildings Steve Seekins <i>Evergreen Home Performance</i>	Efficiency Maine Business Programs Chuck Porter <i>Efficiency Maine</i>	EPA Lead RRP Training <i>Continued</i> FULL - NO MORE ROOM
Noon	Lunch	Lunch	Lunch	Lunch	Lunch
1:00 PM	Solar Thermal - water & space heating - Fortunat Mueller <i>Revision Energy</i>	Overview of National Home Performance Standards Wes Riley <i>wesriley.com</i>	Zone Pressure Diagnostics - The Hole Story Rick Karg <i>R. J. Karg Associates</i>	How To Run Facilities on a Dwindling Budget Rick Meinking <i>Efficiency Maine</i>	EPA Lead RRP Training <i>Continued</i> FULL - NO MORE ROOM
2:20 PM	Break	Break	Break	Break	Break
2:40 PM	Geothermal - Where does it make sense? How to measure it, specify it, educate customers Jim Godbout <i>Jim Godbout P&H</i>	Dense-pack Cellulose in New Construction Bill Hulstrunk <i>National Fiber</i>	Blower Door Testing of Multi-Unit and High Rise Buildings Steve Seekins <i>Evergreen Home Performance</i>	Energy Management Planning Rick Meinking <i>Efficiency Maine</i>	5:00 PM EPA Lead RRP Training <i>Continued</i> FULL - NO MORE ROOM
4:30 PM	Cocktail Reception - open to all conference attendees - cash bar				
5:30 PM	Dinner - Keynote Speaker TONY GILL , <i>Simonson Mgt. Services (USDOE Contractor)</i> (separate registration required)				

MABEP Training Conference – January 12-13, 2010

Holiday Inn By-the-Bay, Portland, Maine

Preliminary Agenda

DAY TWO - Wed., January 13

	Renewable Energy	New Construction Building Science	Advanced Auditing	Commercial	Lead Training Update
9:00 AM	Photovoltaics 101 John Rush <i>EvoLo Energy Systems</i>	Closed Cell v. Open Cell Spray Foam Insulation Brian Oman <i>BASF</i>	Infrared Camera Best Practices Bret Monroe <i>Monroe Infrared</i>	How To Be An Energy Bean Counter Rick Meinking <i>Efficiency Maine</i>	8:00 AM EPA Lead Renovation, Repair & Painting (RRP) 2010 Rule - Training Update for Lead Smart Graduates (4-hours) (max. 20 participants)
10:20 AM	Break	Break	Break	Break	Break
10:40 AM	Small-scale Wind Power John Rush <i>EvoLo Energy Systems</i>	Hot Roof v. Vented Roof Joe Lstiburek <i>Building Science Corp.</i>	Cellulose Insulation Blower Tuning and Optimization - Bill Hulstrunk <i>National Fiber</i>	Energy Star Portfolio Rick Meinking <i>Efficiency Maine</i>	EPA RRP Refresher Training Continued
Noon	Lunch	Lunch	Lunch	Lunch	NOON Lunch
1:00 PM	Solar Thermal - water & space heating Fortunat Mueller <i>ReVision Energy</i>	Spray Foam Insulation and Maine Laws/Fire Code Rich McCarthy <i>Fire Marshal's Office</i>	Deep Energy Reduction Joe Lstiburek <i>Building Science Corp.</i>	Hannaford Bros. New 'Green' Store Allison Zuchman <i>Fore Solutions</i> Gerald L. Knowles <i>Investment Engineering</i>	1:00 PM EPA Lead Renovation, Repair & Painting (RRP) 2010 Rule - Training Update for Lead Smart Graduates (4-hours) (max. 20 participants)
2:20 PM	Break	Break	Break	Break	Break
2:40 PM	Efficiency Maine Renewables Program - Dick Fortier <i>Efficiency Maine</i>	Me. Uniform Building & Energy Code (MUBEC) Rich McCarthy <i>Fire Marshal's Office</i>	Building Modeling Software - TREAT, CSG, REM/Rate, etc. Richard Burbank <i>Evergreen H. P.</i> Wes Riley <i>wesriley.com</i> Blanch Swaim Charlie Holly <i>Kennebec H.P.</i>	Commercial Building Energy Auditing A. J. Ballard <i>Bravo Zulu courtesy of Efficiency Maine</i>	5:00 PM EPA RRP Refresher Training Continued
